Rules for Skater and Coaches on Freestyle Ice Sessions:

1. Freestyle ice is for figure skaters only.
2. Skaters and professionals are required to observe all ice rules, demonstrate courteous behavior and be considerate of other skaters and professionals at all times.
3. Freestyle Ice is designated for skaters Basic 8* and above. Lower level skaters may skate on Freestyle ice if invited by a coach.
4. There is to be no reckless skating, no playing "tag", no racing, and no "horseplay."
5. Standing on the ice to talk is not permitted. If a skater wants to carry on a conversation, he or she should move to the barrier or leave the ice.
6. After a fall, the skater should get up as quickly as possible to avoid injury to or from passing skaters.
7. Look out for other skaters. Always be alert to the moves of skaters and professionals.

Playing Programs on Freestyle Ice:

1. When a skater is doing his/her program, all other skaters and professionals should field to that skater.
2. Skater doing his/her program should wear the orange vest provided. This helps other skaters and professionals identify the skater doing the program.
